

NEW!

Content Surround Program

Deep dive content + engaging formats to surround your target audience

Executive Summary Example

LIVE WEBINAR w/LEAD TOUCH

Direct communication with professionals who are actively looking for solutions and education – the key principle that makes webinars so successful. A cost-effective way to generate a large number of leads and align your company with industry experts.

- Educate / Expert recognition
- Leads
- Topic alignment
- Thought-leadership

WEBINAR STORYSCAPE

Key takeaways content from the webinar repackaged it into a highly engaging format designed for ongoing digital consumption from any device. Extends content shelf-life, while also offering users additional related assets from sponsor.

- Broad reach
- Related asset leads
- Topic alignment
- Thought-leadership

AUDIENCE RETARGETING

Continue to stay in front of the engaged audience by targeting them across the web with banner ads, and on Facebook in their newsfeed, for 90 days after the live event. Targets all users who visited the webinar registration page and/or online Storyscape.

- Nurture
- Reach
- Branding
- Awareness

NEW!

Content Surround Program

Deep dive content + engaging formats to surround your target audience
